4. REGULATION CITE(S): 63-503.242(b)(1), 63-301.633, 63-301.633(a), 63-301.634	8. REFERENCES: (Include ACL/ACIN, court cases, etc. in references) NOTE: All requests must have a regulation cite(s) and/or a reference(s).

9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

When applying for CalFresh and CalWORKs at the same time, do initial PA payments received after the initial benefit month count toward the initial CalFresh budget?

Household applied for CalFresh and CalWORKs in August 2012. Eligibility Determination was made 9/7/12. Since the CalWORKs benefits were not received until after the initial month of application, should they be counted in the CalFresh budget?

10. REQUESTOR'S PROPOSED ANSWER:

Per regulation 63-503.242(b)(1), income shall be counted only in the month it is expected to be received. While 63-301.633 indicates that the initial PA payments should be anticipated, 63-301.633(a) indicates that if PA payments will be received after the subsequent month (September in this case) then the benefits should varied accordingly. This implies that the initial PA payment would not be counted. 63-301.634 states that retroactive PA payments would be considered lump sum payments and thus would not count toward the FS grant.

So the August 2012 PA payment received in September 2012 would not count at all to the August 2012 CalFresh budget and would be disregarded for the September 2012 CalFresh budget as a lump sum payment.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

ASSUMPTION: The PA grant amount or date of receipt could not be anticipated with reasonable certainty at the time of the CalFresh eligibility determination. That is, the initial PA payment has not been approved and authorized and so will not be issued within the month of application.

The state concurs with the requestors proposed response in regards to the August payment - regular rules would apply to September benefits. Per MPP 63-501.111 (under 63-501.1 Definition of Resources) a nonrecurring lump sum payment includes retroactive payments from the approval of an application for any assistance program.
